LEGACYGIVING

- Is both for immediate and long-term projects.
- Is giving that is above and beyond your donations to the annual operating budget.
- Can be given in any amount at any time.
- Is underpinned by something lasting and substantial: MDPC's mission to proclaim Christ to as many people as possible.

What is Legacy Giving?

Many people believe Legacy Giving is about end-of-life financial planning—but that's only a small part of how this fund functions! A variety of Legacy projects are underway at any given time and available for immediate use and enjoyment by our members, guests, and ministries. Legacy is not the annual operating budget; rather, it's your above-and-beyond giving to plan for MDPC's future, as well as our sole source for capital projects.

What can Legacy Giving make possible?

Below are just a few of the current and upcoming projects that are in the works. As you'll see, some are important facility maintenance and management, while others are exciting steps forward in the expansion of worship and ministry.

- Update The Yellow School roof, gutters, and playground fence
- Replace Sanctuary lighting control system
- Replace fire alarm system
- Replace Sanctuary and Chapel chancel flooring
- Create Zoom rooms
- Expand wireless connectivity on campus
- Increase check-in locations
- Second phase of Audio/Visual updates

What has Legacy Giving accomplished?

To date, Legacy Giving has spent **\$2M on ministry enhancements**. Past projects include:

- Media enhancements
- Replacement of boilers
- Parking lot maintenance and safety measures
- Replacement of electrical panel
- Preschool classroom restructure
- Children's area refresh (The Zone)
- Dedicated young adult space
- Alpha care packages
- Speaker Series
- New computers for staff
