People of the early church were...

- transformed by the Holy Spirit after the ascension of the risen Jesus at Pentecost
- directed by the Holy Spirit to travel and preach the gospel to both Jews and Gentiles
- gathered in the first churches over a wide geographic area of the Roman Empire during the life of Paul

IN OTHER WORDS....

**The book of Acts is about
the church being founded,
led and directed by the Holy Spirit.**

2 TIMOTHY: A CRUCIAL TRANSITION

The apostolic generation transfers leadership to the next generation of believers.

Paul encourages Timothy to grasp the torch of leadership.

Paul emphasizes that Christians should allow the gospel to transform their lives

Paul counsels Timothy to stand against erroneous teaching

The
Apostles'
+ Creed +

The core teachings of the apostolic period (33-90 AD) became the basis of the baptismal vows made by the earliest Christians.

The Apostles' Creed states the basic Christian beliefs about Father, Son, and the Holy Spirit and is solidly grounded in scripture.

It counters the false teachings of that time (and today!) that deny the sovereignty of God, the deity and divinity of Jesus Christ, and the work of the Holy Spirit in the life of believers.
