Focus in the Finale

It's the exclamation point at the end of a sentence!

It's like the 4th of July fireworks at the end of the Overture of 1812.

What is a Finale?

It's the last piece of information given.

It's the exciting and memorable climax to the piece.

It's the reminder of what's important.

Where is the focus in John's finale?

Now there are also many other things that Jesus did. Were every one of them to be written, I suppose that the world itself could not contain the books that would be written.

Focus in the Finale

I'm Coming Back to the Heart of Worship

I'm coming back to the heart of worship

And it's all about You,

It's all about You, Jesus

I'm sorry, Lord, for the thing I've made it

When it's all about You,

It's all about You, Jesus
